

Apollo 20W CREE LED Gobo Projector

The Apollo 20W Outdoor LED Profile allows metal or glass gobo projection both indoors and out. This compact fixture projects static gobo patterns with high output and impressive optical quality. Any of our 3,400 patterns in the Apollo Gobo Collection or a custom pattern can be projected. The IP65, Outdoor Suitable rating makes this fixture ideal for installations where weather may be a factor and the convection cooling is fanless, offering silent operation.

LED/Optics

Lumens	875 lm
