

Apollo 40W OSRAM LED Gobo Projector

With rotating gobo ability, the 1200 lumen Apollo 40W Outdoor LED Profile allows metal or glass gobo projection both indoors and out. This compact fixture projects static gobo patterns with high output and impressive optical quality. Any of our 3,400 patterns in the Apollo Gobo Collection or a custom pattern can be projected. The IP65, Outdoor Suitable rating makes this fixture ideal for installations where weather may be a factor and the convection cooling is fanless, offering silent operation.

LED/Optics	
Lumens	1245 lm
